WATER RE|DISCOVERED

Pure, original and authentic, hydrology is the destination for extraordinary luxury fixtures and bath furniture. In addition to our exclusive design collection that can be found nowhere else, our strong relationships with some of the world's finest manufacturers allow us to offer their premiere lines first and often exclusively. See our preferred brands listed below.

*HYDROLOGY EXCLUSIVES: hydrology often partners with the globe's brightest design luminaries, such as Jaime Hayon, Ross Lovegrove, Philippe Starck, Marcel Wanders and Claudio Silvestrin, to introduce exclusive bath designs uncommon in form, superior in functionality and at the height of couture. These extraordinary collections can be found nowhere else. Ask us to give you a tour of these collections: us@hydrologychicago.com.
