

Pure, original and authentic, Hydrology is the destination for extraordinary luxury fixtures and bath furniture. In addition to our exclusive design collection that can be found nowhere else, our strong relationships with some of the world's finest manufacturers allow us to offer their premiere lines first and often exclusively. (See our preferred brands listed below.)

Hydrology is known for unparalleled service and expertise that is backed by nearly 20 years of experience in the design industry through the relationship with our parent company, The Advantage Plumbing Group. With this affiliation, we are able to provide all our clients with added assurance as well as a Lifetime Advantage™ guarantee, which includes an extended lifetime guarantee of products by vendors on this list, project pricing, customized specification binders for each project, unlimited phone or onsite technical support as required, flexible payment terms, hassle-free returns and exchanges, Sorted Ship™ as well as On-Time Design™ services. All this and more ensures that you and your clients are protected when you work with us.
