## CUTTING-EDGE BATHROOMS HYDROLOGY

Hydrology gets top international designers (including Jaime Hayón, Ross Lovegrove, and Claudio Silvestrin) to apply their magic to bath fixtures and accessories, many of which can't be found elsewhere, or only in Europe. Among items we're gaga over: the elegant, furniture-like bathroom suite designed by Hayón (shown above, right) and a completely digital shower system. 📍 435 N. LASALLE ST., 312-832-9000, HYDROLOGYCHICAGO.COM
