Acclaimed Spanish designer Jaime Hayon's first line of bath art furniture brings contemporary baroque silhouettes and precious metals to the bathroom. Available exclusively from Chicago-based Hydrology, the collection includes Bosa ceramic sinks (below) plated in 24k gold, platinum, yellow, black or white. The sinks come with or without a built-in mirror or lamp. The line includes a square black tub, basin stands, tall cabinets, wall hangers, towel rails, mirrors, lamps and accessories. www.hydrologychicago.com
